

# Dotec-Audio DeeVoltage

## User's Guide

### About DeeVoltage

Thank you for choosing Dotec-Audio DeeVoltage.

- Add life and energy with enhanced harmonics and saturation
- From subtle warmth to extreme distortion — all in one plugin
- METAL Mode for intense, aggressive tones
- Independently shape positive and negative waveforms for creative sound design

### Installation on Windows OS

Those plug-ins are provided as a .dll and .vst3 and .aaxplugin folder (AAX).

To install the plug-ins, simply copy it to your system's shared VST or VST3 or AAX folder.

AAX folder : C:\Program Files\Common Files\Avid\Audio\Plug-Ins

If you're not sure where that is, please consult your music software's documentation.

If your music software is already running, you'll probably need to quit and restart it before the plugin is recognised.

### Installation on MacOS

1. Those plug-ins are provided as a .vst (VST) and .component (AU) files and .aaxplugin (AAX) files.
2. To install the plug-ins, open “**install.pkg**” and follow the installer instructions.
3. If your music software is already running, you'll probably need to quit and restart before the plugin is recognised.

## Panel Description

### POWER:

Enables DeeVoltage. Off bypasses it.

### POSITIVE/NEGATIVE:

Adjusts the amount of distortion for each of the positive and negative waveforms simultaneously using LINK.

### INPUT/OUTPUT:

Adjusts the volume of the input and output at the same time via LINK.  
Increasing the INPUT will result in more extreme distortion.

### METAL:

Switches the distortion method to distortion mode.  
Destructively distorts the sound.

## How to Register

The DOTEK-AUDIO product becomes the "**product version**" by registering the serial key and e-mail address in the "**demo version**".

This section describes how to register the serial key you purchased.

### Step 1

You can register serial key by clicking registration button.

### Step 2

A screenshot of the 'Registration' dialog box. The title bar says 'Registration'. The text inside says 'Please enter the serial key and your e-mail address for the registration.' There are three input fields: 'Serial key', 'E-mail address', and 'E-mail address(Verify)'. Each field has a red arrow pointing to it. At the bottom, there are three buttons: 'Open the shopping page', 'Cancel', and 'OK'. The 'OK' button is highlighted with a red rectangle.

This window will be displayed.

Please enter a serial key and your email address in the textbox and click OK button.

**\* The registration requires an internet connection.**
