

Dotec-Audio DeeCrystal

User's Guide

About DeeCrystal

Thank you for choosing Dotec-Audio DeeCrystal.

DeeCrystal is a VST/AU plugin with following features:

- Harmonics synthesis gives the sound a clearer outline, clarity and brightness.
- DeeCrystal is the crystalizer. It gives brightness like a crystal to the muddy sounds.

Installation on Windows OS

1. Those plug-ins are provided as a .dll and .vst3 and .aaxplugin folder (AAX).
2. To install the plug-ins, simply copy it to your system's shared VST or VST3 or AAX folder.
AAX folder : *C:\Program Files\Common Files\Avid\Audio\Plug-Ins*
3. If you're not sure where that is, please consult your music software's documentation.
4. If your music software is already running, you'll probably need to quit and restart if before the plugin is recognised.

Installation on MacOS

1. Those plug-ins are provided as a .vst (VST) and .component (AU) files and .aaxplugin (AAX) files.
2. To install the plug-ins, open “**install.pkg**” and follow the installer instructions.
3. If your music software is already running, you'll probably need to quit and restart before the plugin is recognised.

Panel Description

Enable/Disable Switch (Lightning Switch)
Enables/Disables DeeCrystal.

PHASE

It can be amplified in descending order of harmonic components in Phase 1 to 3.

Example)

Phase 1 amplifies the harmonic component with the highest volume.

Phase 3 amplifies the harmonic component with the lowest volume.

Most music is low range has louder than mid and high. so Phase 1,2,3 will become order to low,mid,high.

In general case, Tuning from phase 1 is recommended. but If you know where the point to get effect, you can tuning as you likes.

Example)

The vocal(mid range) needs to effects,turn PHASE2 up.

How to Register

The DOTEK-AUDIO product becomes the "**product version**" by registering the serial key and e-mail address in the "**demo version**".

This section describes how to register the serial key you purchased.

Step 1

You can register serial key by clicking registration button.

Step 2

A screenshot of a 'Registration' dialog box. The title bar says 'Registration'. Below the title, it says 'Please enter the serial key and your e-mail address for the registration.' There are three input fields: 'Serial key', 'E-mail address', and 'E-mail address(Verify)'. Each field has a red arrow pointing to it. At the bottom, there are three buttons: 'Open the shopping page', 'Cancel', and 'OK'. The 'OK' button is highlighted with a red rectangle.

This window will be displayed.

Please enter a serial key and your email address in the textbox and click OK button.

*** The registration requires an internet connection.**
